Our early morning weather was appropriately vernal in the main, with pockets of chilly air. We saw trilliums; there were patches of mud.

The summer solstice run will be at 4:00 PM, Sunday, June 20, and will be followed by a pot luck in honor of father's day and the coming of summer. Bring dry clothes, your children and/or your father, food or drink to share, and your customary good attitudes.

It was a beautiful afternoon: a little warm for running, but just right for having a picnic. What good food! What charming company! Thanks to everybody who contributed good attitudes, delicious food, fond family and friends, lovely children, and/or mannerly domestic beasts. Special thanks to Heidi Scharffenberg for finish line assistance. Thanks to Rick Carlson for generous fiduciary support. We are grateful to Doug Henderson for special efforts in the make-up category, and to Kathy Henderson for excellence in the area of furniture.

See you when summer turns to fall.

The Wildwood Trail was in good shape and most of our participants were in good shape, too. Steve, Del, and Wild Bill were recovering from long runs. Other runners were looking forward to athletic contests this weekend that include Megan's Run, the Portland Marathon or Five-Mile, and/or a running and shooting contest, a biathlon. Best wishes to everybody.

The evening was pleasant. After the run, we watched chimney swifts and ate Del's cookies. Sherri, Jamie, Curtis, Thomas, and Aaron were with us.

The Clark County Track Club is actively seeking members. This group's activities are surely the best running bargain around. For less money than many single 10K runs, you are entitled to participate in more than two dozen running contests annually. Contact Phil or Teresa Phimister [(206) 694-8936] or come to any of the four October races, held 10-2, 10-10, 10-16, or 10-31. Happy trails.

This was the sixty-seventh running of the Mud Grand Prix. In the inaugural year, there were seven races, and there have been four each year since. Steve, Dennis, Eddie, Charla and Del, among current regulars, participated in the very first run, in March, 1978, a few months before the first Cascade Run Off. But we still live! We are proud that we have never found it necessary to increase our entry fee, and we have never lost a major sponsor. Thanks for the continued support. We would like to develop some updated statistics, but a few results sheets are missing from the event notebook. If any of you veterans have results from 9/80, 12/80, 3/81, 3/85 or 12/90, we would love to obtain a copy to complete the race archives.

We especially missed Red, Eddie, and Bill (who are still eligible for the coveted grand slam awards if they phone or send us in course times). Best wishes for the new year to all. See you for the sixty-eighth running of the Mud Grand Prix, in celebration of the vernal equinox, in March. Peace.
